

Decisions made at the meeting of the Disciplinary Council (DC) of the Doctoral School of Economic and Regional Sciences on 13 August 2026

1. DC supported the announcement of the proposed research topics within Business Administration Program.
2. The following decisions were made regarding the admission of applicants to the doctoral program through supplementary admission procedure:
 - In the case of Sustainable Business and Management Program:
 - DC approved the admission of 2 applicants to Cooperative Doctoral Program,
 - due to a shortage of scholarship slots, DC approved the admission of 6 applicants to self-funded program.
 - In the case of Regional Economic Development and Management Program:
 - DC approved the admission of 1 applicant to self-funded program.
 - In the case of Business Administration Program:
 - DC approved the admission of 2 applicants.

Kaposvár, 13 August 2026

Dr. Kinga Szabó
Secretary of the DC
